Adam, Samy, Sophia and Bulldo aren't just ordinary kids...
They're members of the Fix-It Agency, a bold team on a mission to solve the problems in Blue Oasis City. Lost your cat? They'll find it.
Stuck to your screen all day? They'll help you break free.
School head teacher threatening detention? They might just talk your way out of it.
It's not always easy. They face trouble from thugs, wizards, wild animals, and even assassins! But the four friends, with Grandpa and Grandma Salem and the Professor who runs the agency, have plenty of clever techniques and lots of wisdom.
And most importantly, they know one powerful truth: Nothing gets fixed without Allah's help.
